

A vibrant, low-angle photograph of a sailboat's stern with four people jumping into the sea. The sun is low on the horizon, creating a strong lens flare and a warm, golden glow. The water is a deep blue, and the sky is a clear, bright blue. The people are in mid-air, their bodies silhouetted against the bright light. The sailboat's mast and rigging are visible in the background.

SAILING TOUR TYPES

Short Sessions (3 hours)

If you're not sure how you're going to handle the sea and the boat, or you have limited time at your disposal, then the short session is perfect for you. 3 hours is a perfect time to enjoy and experience everything the sailing lifestyle offers.

Half day sessions (6 hours)

6 hours is plenty of time to experience all the good stuff you can get on a sailing cruise and that means more sailing, more swimming and snorkeling and more relaxing! It's plenty of time to get to some beautiful and more distant beaches.

All day sessions (9 hours)

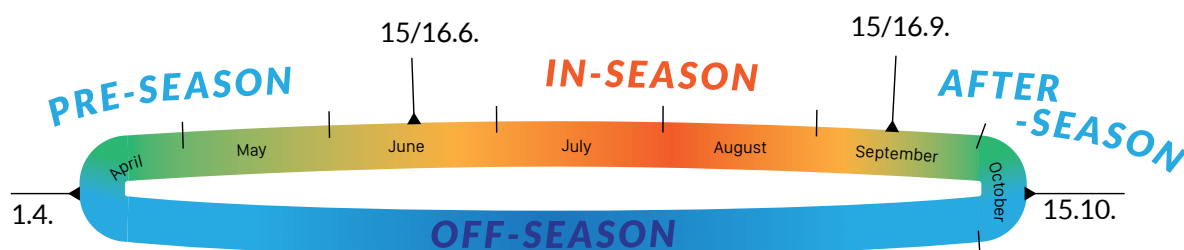

The all day session is even more fun than the half day session! 9 hours of sailing, swimming and having fun! Visit the nearby islands, explore the towns on the coast you have not yet seen. It will completely break your daily routine in a marvelous way.
